To Whom It May Concern:

RE: Telcom Enterprises

82 Hannover Drive
St. Catharines, ON

We contracted Telcom Enterprises to evaluate all our Telecommunications Expenditures and to recommend areas in which we could implement savings. Their knowledge of contractual services available assisted us greatly in reducing our Telecom Costs. Telcom Enterprises acted in a professional manner and the savings they quoted were realized.

7900 Canadian Drive
Niagara Falls, ON

As well they implemented the changes directly with Bell Canada and some of our other Telecommunication suppliers. Our involvement was minimal once we provided Telcom Enterprises with the respective invoices.
