To Whom It May Concern:

Re: Telcom Enterprises

Telcom Enterprises conducted a review of our Land Lines, Long Distance and Wireless Services to offer any efficiencies and potential cost savings for the Town of Mattawa. They also reviewed all alternate suppliers to ensure their recommendations were tailored to our needs.

We contracted Telcom Enterprises to evaluate our Telecommunications Expenditures and to recommend areas in which we could implement savings. Their knowledge of competitive services available assisted us greatly in reducing our Telecom Costs. Telcom Enterprises acted in a professional manner and the savings they quoted were realized.

As well they implemented the changes with the various carriers and substantiated the savings through a final audit. Our involvement was minimal once we had provided Telcom Enterprises with the respective invoices.

We were pleased with the overall positive results we were able to achieve and the minimal amount of “extra work” and/or extra costs associated with producing the results we did.

Once again, well done Telcom.

Yours truly,

Wayne P. Belter
Administrator/Clerk/Treasurer
