**RE: Telcom Enterprises**

Telcom Enterprises conducted a review of our Bell Canada land lines as well as our current maintenance agreements and cellular plans, to offer any efficiencies and potential cost savings for the Wellington Catholic District School Board.

We contracted Telcom Enterprises to evaluate our Telecommunications Expenditures and to recommend areas in which we could implement savings. Their knowledge of contractual services available assisted us greatly in reducing our Telecom Costs. Telcom Enterprises acted in a professional manner and the savings they quoted were realized.

As well they implemented the changes with Bell Canada and substantiated the savings through a final audit. Our involvement was minimal once we had provided Telcom Enterprises with the respective Bell Invoices.

At all times in dealing with Telcom, they were courteous, professional and I always felt like they knew the specifics of our particular account very well and that we were important to them.

I have no hesitation in recommending Telcom Enterprises.

Yours truly,
