RE: Telcom Enterprises

Telcom Enterprises conducted a review of our Land Lines, Long Distance and Wireless Services, to offer any efficiencies and potential cost savings for the York Region Children's Aid Society. They also reviewed all alternate suppliers to ensure their recommendations were tailored to our needs.

We contracted Telcom Enterprises to evaluate our Telecommunications Expenditures which included Bell Canada Megalink Services (PRI) and to recommend areas in which we could implement savings. Their knowledge of competitive services available assisted us greatly in reducing our Telecom Costs. Telcom Enterprises acted in a professional manner and the savings they quoted were realized.

As well they implemented the changes with the various carries and substantiated the savings through a final audit. Our involvement was minimal once we had provided Telcom Enterprises with the respective Bell Invoices.

We would recommend using Telcom Enterprises for your telecommunications review.
