To Whom It May Concern:

**RE: Telkom Enterprises**

Telcom Enterprises conducted a review of our Land Lines, Long Distance and Wireless Services, to offer any efficiencies and potential cost savings for the Cochrane District Social Services Administration Board. They also reviewed all alternate suppliers to ensure their recommendations were tailored to our needs.

We contracted Telkom Enterprises to evaluate our Telecommunications Expenditures which also included Bell Canada Megalink Services (PRI) and to recommend areas in which we could implement savings. Their knowledge of competitive services available assisted us greatly in reducing our Telecom Costs. Telkom Enterprises acted in a professional manner and the savings they quoted were realized.

As well they implemented the changes with the various carriers and substantiated the savings through a final audit. Our involvement was minimal once we had provided Telkom Enterprises with the respective Bell Invoices.

We would recommend using Telkom Enterprises for your telecommunications review.

Yours truly,

David Landers
