TO WHOM IT MAY CONCERN:

**RE: TELCOM ENTERPRISES**

Telcom Enterprises conducted a review of our land lines, long distance, cellular and telephone maintenance contracts to offer any efficiencies and potential cost savings for the Town of Caledon in 2007.

Telcom Enterprises are very knowledgeable with respect to Bell Canada Services as well as with new players participating in the deregulated marketplace. Telcom Enterprises acted in a professional manner and the savings they quoted were realized.

As well, they implemented the changes with the various suppliers, as part of their consulting fee, and substantiated the savings through a final audit.

Yours truly,

Samuel T. Jones  
Treasurer/Director of Corporate Services
